

Travel insurance card in TaskuTurva -app

When you have a travel insurance or your trade union has insured you with travel insurance, you can find a travel insurance card in TaskuTurva -app. The app is available only in Finnish.

When you are using the application for the first time, you must take a stand on cookies, accept the terms of use, authenticate yourself and give Turva permission to use your union membership information (picture 1) to see the travel insurance card and select your union.

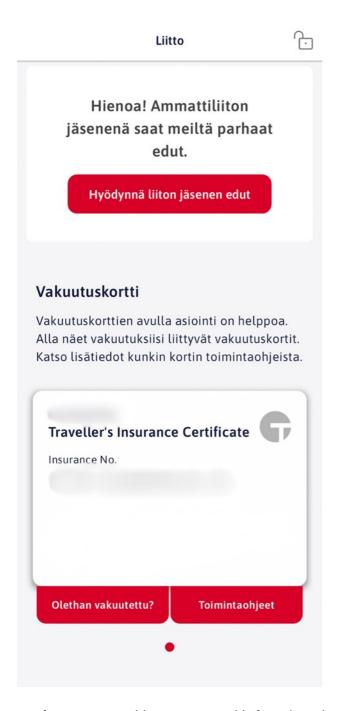

When you are logged in the application you can find the travel insurance card by clicking *Liitto* (picture 2).

You can find TaskuTurva terms of use in English here and more information on cookies here.
